Cumulative Records

Cumulative Records are an excellent way to show what you have learned over a three year period while in 4-H. 4-H’ers age 13 and older may submit up to 2 books. There are 22 different areas that you may choose from. Age categories are 13-15 and 16-18. Cumulative records earn cash awards from the state and scholarship funds from the county. Last year Yadkin County 4-H had three state gold awards and each youth received $150.00 cash!

***Deadline to have your record to the office is February 25, 2008***
If you need assistance please call the office at 679-2061 and arrange an appointment to work on your record.
