

Yadkin County Center, P.O. Box 97, Yadkinville NC 27055 • (336) 679.2061 • (336) 336.679.3088(fax)

**TO:** Pesticide Applicators

July 13, 2007

**FROM:** Joanna E. Radford  
Extension Agent  
Agriculture and Natural resources  
Field Crops, Pesticide Education and Water Quality

**RE:** Upcoming Pesticide Trainings

**The following pesticide trainings have been scheduled for the upcoming two months. All pesticide applicators are invited to the trainings of your choice. Pay close attention to locations, credit hours, and categories offered for each training. Keep in mind, all private pesticide applicators with licenses expiring in 2007 are required to have 2 hours of V category training and 2 hours of X category training before September 30, 2007 to maintain the license.**

Space may be limited. Call the following Extension Centers for location and reservation.

Forsyth Extension 336.703.2850

Surry Extension 336.401.8025

Wilkes Extension 336.651.7330
