Yadkin County 4-H Holiday Food Show Saturday, December 8, 2018

The Yadkin County 4-H Holiday Food Show is fast-approaching! This event is where youth bring in their own homemade food creation, table setting, and have their portion of a table decorated with a holiday as their theme. This is a super fun event where youth get to practice their cooking skills, use their public speaking skills, and get to try everyone else's yummy food. All the youth have to do is sign up, bring their food, decorations/table setting for their table, and have fun. This event is open to 4-H'ers ages 5-18. We are also opening up a class for "Pre-Cloverbuds," which are ages 3-4, to come have fun in this event as well. This event will be held in the banquet room in our building. The deadline to sign up and have paperwork in for this event is **Friday, November 30, 2018**. Paperwork can be obtained at the 4-H office, on our Yadkin Cooperative Extension website, or through email upon request. We hope to see you there!

County Council Meeting Monday, November 26, 2018

County Council is for ages 12-18 and you must be a registered 4-H'er to attend. This council focuses on community services, leadership, and citizenship related topics. For this meeting, we will be baking cookies for Yadkin Christian Ministries, talking about officer roles, and talking about what we would like to do for future meetings. This meeting will be from 6:00 PM-8:00 PM in our conference room and dinner will be provided. Please RSVP for this meeting by Tuesday, November 23, 2018 and please let us know if you have any dietary restrictions.

Christmas Cookies for a Cause

We will be continuing our Christmas cookie baking tradition again this year! This is where we have 4-H'ers come to our office kitchen and bake cookies for Yadkin Christian Ministries. These cookies will go to families in need in our community during the holiday season. Clubs and small groups of 4-H'ers and their families can make an appointment to bake cookies during **December 3-18, 2018**. We will provide the ingredients and other needed items to bake cookies. If you have a group of youth too young to bake cookies from scratch, we can provide premade cookie dough for them. We hope you consider helping us in our efforts this year!

Military Mail

Due no later than December 8, 2018

It's that time of year again where we let our troops know how much we appreciate them by writing them Christmas letter! All you have to do is have a Christmas card and either write a letter or draw a picture, put it in an unsealed envelope, and then take it to the office. We do ask that you make sure what you say in the card is uplifting and that the pictures are of happy things as well. We want to bring a joyful smile to the military members face's that are receiving these letters during the holiday season.

This is going to be an informative workshop for youth, parents, and 4-H leaders. We must have at least 5 participants to make this a workshop. Please RSVP by Friday, December 7, 2018 if you wish to attend.

Project Record Books Season is Upon us!

Project Record Books will be due before you know it! Project Record Books are a great way to show off what you have done in 4-H this year and they can be on so many topics! Do you like cooking and have done cooking with 4-H this year? You can do a record book on that! Do you have an animal that you take care of? You can do a record book on that! Every 4-H'er can do Project Record Books from ages 5-18! Project Record Books are due to our office by January 18, 2019. If you want more information on how to do a record book, we encourage you to attend your club meeting when they are focusing on Project Record Book, attend the record book workshop that will be held here at the office Tuesday December 11, 2018 from 5:30-6:30, or set up a meeting with Ms. Madaline to learn more.
