

YADKIN COUNTY MASTER GARDENER VOLUNTEERS AND N.C. COOPERATIVE EXTENSION PRESENT:

COMPLETE THE SEASON WITH COMPOST

Compost builds healthy soil and plants, and worms can recycle food scraps, yard trimmings, and leaves into organic fertilizer for your garden. Join us for an introduction to compost and worm composting (a.k.a vermicomposting) to learn more!

COMPOST WEBINAR

Nov 10, 2020, 3-4 pm

Eventbrite Registration:
